

SPECIAL TRANSFORMERS

We can manufacture transformers:

Single-phase

Three-phase

Safety and command control transformers

Open-air or encapsulated, with different connection modes (screw connection terminal, special terminals, electric cable ...)

Phonovox has a long tradition, more than 50 years, manufacturing special transformers according to customer requirements.

We can manufacture single-phase, three-phase, safety and command control transformers, open-air or encapsulated, with different connection modes (screw connection terminal, special terminals, electric cable ...)
